BUYING A GRAVE

When buying a grave it is important that you understand what it is that you are actually purchasing.

Purchased Grave

You are not purchasing any land and no ownership of land is transferred to you.

What you will be purchasing are the Exclusive Rights of Burial for a grave for an agreed period of time. These Rights will be assigned to you by a Deed of Grant which is a legal document.

The Deed grants you the right to:

- be buried in a designated grave space (includes cremated remains);
- apply for a permit to place an inscribed memorial on the grave or give permission for an additional inscription to be added.

You should keep your Deed safe as it forms part of your estate.
